2008 Fun with Son Weekends

Pine Tree Education & Environmental Center, Tabernacle, NJ

Weekend #1...June 21- 22

Weekend #3...July 19 - 20

Weekend #2...July 12 - 13

Webelos Weekend #4...August 1 - 3

"Trails across America"

*Come join us as we cross our country exploring
This great land of ours from sea to shining sea!!!*

Archery, swimming, BB shooting, hiking, sports, and crafts are a few of the great outdoor adventures you and your child will enjoy together at a Fun with Son Weekend. This provides a great opportunity for the parent of a Cub Scout to spend quality time with his or her son.

You will have the opportunity to participate in either a one-night or two-night adventure. The theme: "Trails across America" will be featured, with each weekend exploring something new.

You will be staying in a cabin at Pine Tree Education and Environmental Center in Tabernacle. Cabins have bunk beds and hot showers! The camp fee also covers meals for both parent and Cub Scout. Register early and save \$15.00. An additional Cub Scout Sibling attends for half fee.

The one-night weekends will include the same fun and excitement of the Webelos weekend geared towards all Cub Scouts, except arrival at camp will take place from 8:00 to 9:00 a.m. on Saturday. Reserve your spot today!

The Webelos weekend will kickoff Friday with a night hike and snack, followed by a full day of excitement on Saturday. A campfire for all, complete with songs, skits, and fun will cap off the busy day. After breakfast and open program time on Sunday morning, you will depart camp and take with you lots of great memories and new friendships!

If you come as a den, every attempt will be made to keep your group together. Please note pack and den number on your registration form. Each cabin sleeps 12 people (six fathers or six mothers and sons).

WEBELOS WEEKEND:

This fun-filled weekend is designed especially for first and second year Webelos. Tents or cabins, it's up to you and your son...but your own tent would be so much more exciting!

Learn to cook outdoors and other important skills to help make the transition into a Boy Scout Troop easier. Webelos are also welcome at weekends 1, 2 & 3.
