## Scouting Memorial and Legacy Garden

Through the generosity of a dedicated Scouting benefactor, the Burlington County Council Rowan Scout Service Center has been the recipient of a recent facelift. As a result, the landscaping around the Service Center has been updated and redone. New trees, bushes, and flowers have been added to freshen up the appearance of the building.

The main focal point of the project was the addition of a brick patio in the shape of the Scouting Fleur-de-lis. Visible from Rancocas Road, it is a clear reminder to all who pass that Scouting is alive and well in Burlington County. Our goal is to keep Scouting strong for generations to come. Now, through the **Scouting Memorial and Legacy Garden** project, the patio will serve as a symbol of the enduring strength of the Scouting legacy in Burlington County. Our goal through this project is to keep Scouting strong for generations to come.

### How does the **Scouting Memorial and Legacy Garden** project work?

The fleur-de-lis patio is made up of several hundred clay bricks which are being offered to the Scouting community in order to express their sentiments regarding Scouting's past, present and future. For each brick that is "sold", resources will be set aside to support current and future Scouting programs, maintain the Service Center, and secure the future of Scouting through contributions to the Council Endowment fund.

Please consider making a permanent tribute to someone special in your life AND providing for the future of Scouting by purchasing a brick today. See the attached order form for more details. For more information on this or other Scouting legacy projects, please contact Dan Templar at (609) 261-5850 or [dtemplar@bsaemail.org](mailto:dtemplar@bsaemail.org).
