**** The boy's grade is very important in placing them in Camp Dens**

- **2nd and 3rd graders together make up the Wolf/Bear Dens**
- **4th and 5th graders together make up the Webelos Dens**

----- If there is an exception, for example: a boy has repeated a year of school but moved up in rank from a Bear to a Webelos PLEASE let the Program Director know so the boy can be placed in the appropriate den.

In accordance with BSA guidelines, each den at camp must have 2-deep leadership.
