

Spring 2012 BALOO

Basic Adult Leader Outdoor Orientation

To help you be better prepared to deliver the Promise -- your Scouts deserve it.

The revised camping guidelines for 2000 give councils the authority to allow Cub Scout packs to conduct a pack campout (overnight) activity, as long as the activity is conducted at a council-approved location and is **under the direction of a leader in the pack trained** to do so. This is the training course to prepare these leaders and does not replace any existing training. BSA's Cub Scout level camping policies will be taught along with the necessary tools to help units carry out a successful camping experience.
